

THE TERMS OF PARTICIPATION

In «Crimea X Run 2018» trail running race

10 - 13 October 2018

1. Registration fee

The registration fee for participation in the Crimea X Run race depends on the participation format and time of registration.

1.1 Registration fee for the four-day format Crimea X Run:

- 15000 rubles for registration from 02/04/2018 to 15/05/2018
- 17000 rubles for registration from 16/05/2018 to 06/06/2018
- 19000 rubles for registration from 07/06/2018 to 14/09/2018
- 20500 rubles for registration from 15/09/2018 to 09/10/2018, without a personal number and only if there are free slots (availability of required size finisher t-shirt immediately at the finish is not guaranteed).

Registration for the four-day format Crimea X Run will be closed on October 9 at 21:00 or on reaching a limit of 350 participants in the format of a 4-day race.

1.2 Registration fee for the 1-day format Crimea X Run (Ultra Trail on the route Alupka-Balaklava or Trail on the route Baidarskie Vorota-Balaklava):

- 5500 rubles, at registration from 02.04 to 15.05
- 6500 rubles, at registration from 16.05 to 06.06
- 7500 rubles, with registration from 07.06 to 14.09
- 9000 rubles, without a personal number and only if there are free slots (availability of required size finisher t-shirt immediately at the finish is not guaranteed).

Registration will be closed on October 9 at 21:00 or on reaching a limit of 350 participants in the format of a 4-day race.

1.3 Payment of the registration fee must be made using bank card online immediately after the registration, otherwise registration will be canceled.

1.4 The registration fee includes:

- Sport bag (60 / 100 liters) for personal belongings
- Transfer of the sport bag for personal belongings from the start to the finish of each running day
- Transfer of participants from the city center to the place of start if the start is outside the city
- For participants in 4-day format, dinner on October 9 and in the evening of each running day: October 10, 11, 12 and 13.
- For participants in 1-day format, dinners on October 12 and 13.
- Finisher t-shirt (for those who has made the entire distance).
- Medal of the finisher.
- Judging of the competitions.
- Organization of the route.

- Organization of supply points with water and food every 15-20 km on the route.
- Souvenirs from Partners of competitions.

1.5 The participant can use his own sport bag from Crimea X Run 2015/2016/2017 competitions. In this case registration fee will be reduced 1000 rubles. A mark about the presence of your own sport bag should be made in the registration form.

The option is available for registration until 06.06 (!)

2. Slot return and re-registration.

2.1 Participants who have registered and paid the registration fee are able to cancel the registration with 90% refund before September 14.03.2018 by notifying the organizers via e-mail to info@crimeaxrun.com.

The payment will automatically return to participants card within one week. The exact time of refunding depends on the date of payment and on the bank that issued the card (may be up to 180 days).

2.2 Slot transfers to other participants are not allowed. To make a replacement participant need to cancel his registration and after that new participant should register through the site with the registration fee specified in section 1) "registration fees".

3. Mandatory and recommended equipment.

The list of equipment that participant must have on route (unless otherwise is announced by the organizers at the pre-start briefing of each day of the trail):

3.1 Running sneakers (we strongly recommend a sole, designed for cross country running, including rocky trails).

3.2 Waterproof jacket.

3.3 Running clothes consisting of: long-sleeved T-shirts (or a T-shirt with short sleeves and armllets) and running pants (or tights $\frac{3}{4}$ + leggings; running shorts + leggings are not allowed). This is necessary for the weather in the mountains can change suddenly.

3.4 Gloves.

3.5 Headgear (hat or buff, with a cap if desired).

3.6 A water tank of at least 1.0 liter (or 2 x 0.5 liter).

3.7 Backpack / belt bag.

3.8 First aid kit consisting of:

- Thermoisolating emergency blanket of minimum size 140 × 200 cm
- Elastic bandage (2 meters) / sports teip
- Pills for diarrhea
- Painkillers (Ketanov or analog).
- Pills for allergies
- Plaster in a roll (3cm x 2m)
- Bandage (10cm x 3m)

3.9 Whistle.

3.10 Map of the route with altitude indication (is provided by the organizers in the start package).

3.11 A charged mobile phone, with a phone number indicated in the registration form. It is necessary to add the organizers contact number in your address book for emergency communication (the number will be indicated on the maps issued by the organizers).

3.12 Waterproof headlamp with a set of batteries / accumulators enough for 12 hours. A mobile phone with a flashlight cannot replace waterproof headlamp!

3.13 Passport or driver's license in a waterproof covering.

3.14 Personal number (issued by the organizers in the start package, the number must be placed on the belt, it's prohibited to cover it under clothes).

It is also recommend to have the following equipment:

- GPS navigator with a loaded track of the route (will be available for download on the race website before September 20, 2018);
- Trekking sticks;
- Sunglasses and/or a cap or visor;
- Vaseline or other cream for chafing;
- A "second skin" plaster or any other plaster for blisters;
- An adequate supply of food for the distance of each day.

Attention! At the entrance to the starting corridor a daily random check of mandatory equipment will be performed by the organizers. The organizers reserve a right to check the mandatory equipment at any point of the route. Participants are obliged to show the mandatory equipment on the first request of the organizers! Those who lack any item will be immediately disqualified!

4. Medical certificate

During start package pick-up every participant must provide medical clearance for running marathon distance from 10 to 13 October 2018 with the date of issue not earlier than 14/04/2018. The organizers do not return medical certificates after the race. A participant who wants to keep a certificate must provide an original certificate (retains after been shown to the Organizers) and a copy.

Certificate format:

For a disposable medical certificate the form is as follows:

- Contains a seal of a clinic, a signature and a seal of a doctor, date of issue.
- The pattern is as follows: "*Name, year of birth*, according to the results of the medical examination is allowed to participate in running competitions for a distance of up to 65 km." A distance of more than 65 km is also acceptable.

For a reusable medical certificate the form is as follows:

- Contains a seal of a clinic, a signature and a seal of a doctor, date of issue.
- The pattern is as follows: "*Name, year of birth*, underwent in-depth medical examination, *the date of the examination*, and is allowed to participate in cross-country running training and competitions for long distances, including distances up to 65 km for a period of / *specify the period*." A distance of more than 65 km is also acceptable.

For participation in a one-day Trail format (short distance) on October 13, 2018 a certificate can be issued as follows:

- Contains a seal of a clinic, a signature and a seal of a doctor, date of issue.
- The pattern is as follows: "*Name, year of birth*, according to the results of the medical examination is allowed to participate in running competitions for a marathon distance."

5. Online payment system

Processing of payment information takes place on the webpage of the "Payment Center" processing center, therefore the data of the Buyer card is not available for the online store. Protection of information transfer is carried out using technologies developed by the international payment systems VISA and MasterCard - Payment Card Industry Data Security Standard (PCI DSS).

Usage of Secure Sockets Layer (SSL), Verified by Visa, Secure Code and secure banking networks guarantees the security of transactions with bank cards.

For payment by credit card you will be redirected to the secure payment page of the "Payment Center" processing company (LLC "ManiAPS"). The payment page meets the latest international security requirements for Visa and MasterCard payment systems.

- In the process of payment by credit card, enter its number, validity period, CVV code, name and surname of the owner and contact details of the cardholder.
- Make sure that you entered the correct data, and then click on the "Pay" button.
- If your bank card supports 3D Secure technology, you will automatically go to your bank's website where you will be asked to enter a secret activation code that will be sent to your phone.
- If the card details are correct and you have enough money on your account, you will see a payment confirmation. Then you will be asked to return to the webstore page.
